EXPERIENCE

Full Stack Development with React Native Intern — June 2024 - August 2024
Technical Hub, Aditya University — *Surampalem*

- Gained hands-on experience in web development, primarily focusing on JavaScript, React.js, HTML, and CSS.
- Developed static website templates, including projects like a digital clock and an online shopping interface.
- Worked with Git and GitHub for version control, improving collaboration and project management skills.
- Explored fundamental concepts of React Native for mobile app development.
- Solved a reasonable number of problems on LeetCode and GeeksforGeeks to strengthen problem-solving skills.

PROJECTS

Travel Tale | *HTML, CSS, JS* — June 2024 - Present

- Developed a static website focused on tourist attractions in France using HTML, CSS, and JavaScript.
- Travel Tale is a captivating guide to France's finest destinations, curated for wanderers and dreamers. Explore sun-kissed beaches, world-renowned museums, serene parks, vibrant zoos, and breathtaking waterfalls. Each location tells a story, blending history, adventure, and natural wonders in perfect harmony. From the sparkling shores of the French Riviera to the misty cascades of Jura, beauty awaits.
